

THE LAXTUF, LLC PRIVACY POLICY AND YOUR CALIFORNIA PRIVACY RIGHTS

LAST UPDATED: 4/30/2013

Welcome! This Privacy Policy governs the websites and online services provided by LAXTUF, LLC (“LAXTUF”). By accessing any of the LAXTUF Sites, you are consenting to this Privacy Policy. This Privacy Policy describes what information LAXTUF Sites collect from users, including children, when they visit the LAXTUF Sites; how such information is used and stored; when such information may be disclosed to third parties; how users, parents, and guardians can control the use and disclosure of collected information; and how information is protected.

Our visitors’ privacy is important to us, and we recognize the need to provide additional privacy protection for children on the LAXTUF Sites permitting such visitors. Our privacy practices are guided by the United States’ Children’s Online Privacy Protection Act of 1998, as well as data privacy laws in the United States and other applicable countries. Younger visitors should always check with their parents or guardians before entering information on any website and we encourage families to discuss their household guidelines regarding the online sharing of personal information.

I. INFORMATION COLLECTION AND USE.

We may request or collect certain information when you visit the LAXTUF Sites. However, visitors are required to share only the information that is reasonably necessary to participate in the particular activity.

A. Registration Information: The information required to register includes: (a) full name; (b) birth date; (c) gender; (d) state; (e) zip code; (f) user name and password; (g) wireless telephone number; (h) email address; (i) parent’s email address; (j) coach’s email address; (k) uniform number; (l) current team and association; and (m) other profile information such as profile image preferences, communications preferences, and interests. Each member is asked to provide his or her parent’s or guardian’s email address. Parents will receive an activation email and must follow the procedures or otherwise agree to the terms within the activation email within a certain time period to activate the account; accounts not activated within that time period will be deleted.

Registration information is used to enable visitors to take advantage of site offerings; respond to visitor’s requests for products, services, and information; track and compare their results; serve appropriate material; customize the content you see when you visit the LAXTUF Sites; and offer visitors special offers

and promotions from LAXTUF Sites and selected third parties offering products, programs or services, that we believe may be of interest to you.

B. Social Platform Registrations and Social Media Plugins: Some of the LAXTUF Sites permit or require you to register or log into your account via a social networking platform such as Facebook Connect or Flux, or permit you to use social media plugins such as the Facebook “Like” or Google “+1” buttons. When you use these social networking platforms and plugins, your username and password for the services and other information available about you or collected from you on these services may be shared with us.

When you use social networking platforms and plugins, you share your information with them and their privacy policy applies to their collection, use, and disclosure of such information. In addition, they may be able to collect information about you, including your activity on the LAXTUF Sites, and they may notify your connections on the social networking platform about your use of the LAXTUF Sites. Such services may also employ unique identifiers which allow your activity to be monitored across multiple websites for purposes of delivering more targeted advertising to you. For more information about social networking platforms and plugins please visit their websites. Please note that their privacy policies may be different from our own and we encourage you to read them.

C. Computer Information Collected by Us: When visitors come to a Site, we automatically collect certain information from their computers or mobile devices, such as the type of computer operating system (e.g., Windows XP or Mac OS), the visitor's IP address, the web browser (e.g., Internet Explorer, Safari, Chrome and Firefox), UDID (for mobile devices), information about the websites visited before and after visiting the Site, the web pages and advertisements viewed and links clicked on within the LAXTUF Sites, interactions with e-mail messages sent by a Site (e.g., links clicked on and whether the messages were opened or forwarded), information collected through the use of unique identifiers such as cookies (see below), information regarding the Internet service provider, and other standard server log information (“Computer Information”).

We may use cookies, web beacons, or similar technologies (collectively referred to as “Tracking Technologies”) on the LAXTUF Sites. “Cookies” (which may be html files, Flash files or other technology) are text files that help store user preferences and activity. “Web beacons” (also known as image tags, gif or web bugs) are small pieces of code used to collect advertising data, such as counting page views, promotion views or advertising responses. The Site and/or third parties may use “cookies”, “web beacons” and other similar tracking technologies (collectively, “Tracking Technologies”) to collect Computer Information automatically as you browse the Site and the web.

We may use Tracking Technologies to help tailor our content, allow users to move between certain LAXTUF Sites without logging into each Site, enable the internal functioning of the LAXTUF Sites, understand Site and internet usage, improve or customize the content, offerings or advertisements on this Site, personalize your experience on the Site (for example, to recognize you by name when you return to the Site), understand your interactions with email messages originating from the LAXTUF Sites (such as the links clicked on and whether the messages were opened or forwarded), save your password, save your online settings, enable you to use shopping carts, help us offer you products, programs or services that may be of interest to you, deliver relevant advertising, maintain and administer the LAXTUF Sites. These Tracking Technologies collect “click stream” data and additional other information regarding your visits to the LAXTUF Sites (such as your visits to specific webpages, use of features, purchasing history or preferences), may collect such other information across multiple sessions on the LAXTUF Sites and may also collect your IP address or some other identifier unique to the device you use to access the site (“Identifier”). An Identifier may be automatically assigned to any device you use to access the LAXTUF Sites.

By visiting a Site, whether as a registered user or otherwise, you acknowledge, understand and hereby agree that you are giving us your consent to track your activities and your use of a Site through these Tracking Technologies and Identifiers and that we may use Tracking Technologies in the emails we send to you.

The LAXTUF Sites adhere to the Self-Regulatory Principles for Online Behavioral Advertising. LAXTUF does not direct targeted advertising to children under the age of 13 based on the child’s visits to the LAXTUF Sites and other websites that the child visited.

Our Third Party Advertising Service Providers do not have access to Tracking Technologies set by the LAXTUF Sites except to the extent necessary to provide services to the Site. The Third Party Advertising Service Providers, as well as advertisers, may themselves set and access their own Tracking Technologies on your Device if you choose to have Tracking Technologies enabled in your browser (or, for Flash cookies, if you have not removed them) and/or they may otherwise have access to other information about you.

You have a number of options with respect to the Tracking Technologies set by the LAXTUF Sites:

- You can prevent the use of certain Tracking Technologies (other than Flash cookies) by using the controls in your Web browser. To do so, you must complete both of the following steps:

1. Delete existing Tracking Technologies through the “Internet Options” sub-option of the “Tools” menu option of your browser or otherwise as directed by your browser’s support feature; *and*
 2. Disable future Tracking Technologies by using the same browser controls. Additional information on disabling most Tracking Technologies may be available through your browser’s support feature. (See the “help” section of your browser for more information.)
- You may be able to have the device you use to access the LAXTUF Sites warn you each time a cookie or most other Tracking Technologies is being set (other than Flash cookies), or you can choose to turn off such warnings. This is done through your browser on the device you use to access the LAXTUF Sites. Additional information on warnings and removal of warnings may be available through your browser’s support feature.

Please note that deleting, rejecting, disabling or turning off Tracking Technologies through the above options will not remove Flash cookies.

Please be aware that certain areas and features of LAXTUF Sites can only be accessed in conjunction with Tracking Technologies, and that disabling Tracking Technologies might prevent you from accessing such content.

D. Computer Information Collected By Others: LAXTUF Sites use a variety of third-party advertising networks, data exchanges, traffic measurement service providers, marketing analytics service providers, and other third-party service providers (collectively, “Third Party Advertising Service Providers”) to, for example, serve advertisements on the LAXTUF Sites, facilitate targeting of advertisements, and measure and analyze advertising effectiveness and/or traffic on the LAXTUF Sites (“Targeting Services”). These Targeting Services enable us to display advertisements based on your visits to the LAXTUF Sites and other websites you have visited and may include delivering advertisements or other content for products and services that may interest you. Targeting Services also help prevent you from seeing repeated advertisements and enable us to research the usefulness of certain advertisements. If LAXTUF knows that a particular user is under 13, LAXTUF does not direct targeted advertising to such children based on the child’s visits to the LAXTUF Sites and other websites that the child visited.

These Third Party Advertising Service Providers do not have access to Tracking Technologies set by the LAXTUF Sites except to the extent necessary to provide services to the LAXTUF Sites. The Third Party Advertising Service Providers, as well as advertisers, may themselves set and access their own Tracking Technologies on your device if you choose to have Tracking Technologies enabled in your browser (or, for Flash cookies, if you have not removed them) and/or they may otherwise have access to Other Information about you. In

addition, Third Party Advertising Service Providers may collect aggregate log data separately and independently from what the LAXTUF Sites collect.

You should be aware that different rules might apply to the collection, use or disclosure of your information by third parties in connection with their advertisements, promotions and other websites you encounter on the Internet. The use of such technology by these third parties is within their control and not the LAXTUF Sites. Even if we have a relationship with the third party, we do not control those sites or their policies and practices regarding your information and this Privacy Policy does not cover any use of information that they may collect from you. We encourage you to research and direct any of your questions in this regard to these third parties. Use of a third party's Tracking Technology is subject to their own privacy policies.

With respect to the Tracking Technologies set by Third Party Advertising Service Providers and advertisers (and outside the control of the LAXTUF Sites), you have a number of options:

- You can opt-out of the use of information for these advertising purposes by two such Third Party Advertising Service Providers, Demdex and DoubleClick by using those Providers' opt-out tools. You can access Demdex's tool at <http://www.donottarget.com/> and DoubleClick's at <http://www.google.com/intl/en/privacy/ads/>. We also may from time to time permit other Third Party Advertising Service Providers and Advertisers to collect Information on the LAXTUF Sites. Some of these Providers and Advertisers may participate in the Network Advertising Initiative's Opt-Out Tool and/or the Self-Regulatory Program for Online Behavioral Advertising
- Please note the following with respect to opting out of Tracking Technologies set by Third Party Advertising Service Providers and advertisers:
- **The opt-out tools discussed above are "cookie based."** This means that the tools rely on cookies to remember your choices with respect to the use of your information by the parties that offer you those choices. If you opt-out but then use the controls in your browser to delete all Tracking Technologies, you may have to opt-out again, a second time, in order to re-establish your opt-out preferences.
- **Opt-outs are browser-specific.** This means, for example, that if you opt out while using Internet Explorer 9, this choice will not affect the collection of information collected by Tracking Technologies when you use Mozilla Firefox on the same device. It also means that opting out on one device will not affect the collection of information by Tracking Technologies on other devices you may use to access the LAXTUF Sites.

- You also can prevent the use of certain Tracking Technologies (other than Flash cookies) on a particular device by using the controls in your Web browser. To do so, you must complete both of the following steps:
 1. Delete existing Tracking Technologies through the “Internet Options” sub-option of the “Tools” menu option of your browser or otherwise as directed by your browser’s support feature; and
 2. Disable future Tracking Technologies by using the same browser controls. Additional information on disabling most Tracking Technologies may be available through your browser’s support feature. (See the “help” section of your browser for more information.)
- You may be able to set the device you use to access the LAXTUF Sites to warn you each time a cookie or most other Tracking Technologies is being set (other than Flash cookies), or you can choose to turn off such warnings. This is done through your browser on the device you use to access the LAXTUF Sites. Additional information on warnings and removal of warnings may be available through your browser’s support feature.
- Opting-out of, deleting, rejecting, disabling or turning off Third Party Advertising Service Providers’ Tracking Technologies does not mean that you will no longer receive online ads. Opting-out of, deleting, rejecting, disabling or turning off Third Party Advertising Service Providers’ Tracking Technologies only means that such ads will no longer be tailored to your specific viewing habits or interests, but you will continue to see ads on the LAXTUF Sites.
- PLEASE NOTE THAT THE USE AND STORAGE OF FLASH COOKIES TYPICALLY CANNOT BE CONTROLLED THROUGH YOUR BROWSER. For more information about Flash cookies and how to remove them from your computer, please visit www.adobe.com.

E. Contests and Sweepstakes: The LAXTUF Sites may offer online contests and sweepstakes. To enter these contests and sweepstakes, you may be required to provide your first name and email address and/or additional information required for the management of the contest or sweepstakes. On sites where we have actual knowledge that a user is a child under 13, we may collect the child’s e-mail address to enter the child in the contest or sweepstakes, store such child’s email address for the duration of the sweepstakes, and use it for notification if he or she is the winner. For certain contests or sweepstakes on such sites, we may ask for the email address of the child’s parent or guardian to inform the parent or guardian of his or her child’s entry and give the parent or guardian the option to have the child’s entry deleted.

F. Electronic Postcards and Messages: Some LAXTUF Sites provide visitors the opportunity to send electronic postcards and “wish lists” of items they want to family or friends, which means we will send, on the visitor’s behalf, email messages to family and/or friends. To do so, visitors must provide the email address of the recipient of such electronic postcards or email messages. Email addresses provided to us for this purpose are used solely to send the requested postcard or email message and are deleted from our system once the postcard or message is sent. In some cases, we may offer visitors an incentive for referring information about products to the visitor's family or friends. In such cases, we will comply with all applicable legal requirements. Please note that this feature may not be available to visitors in certain regions.

G. Electronic Newsletters: Visitors can provide their email addresses to receive email newsletters and promotions from LAXTUF, and our business partners. Visitors may change their preferences regarding emails at any time through the unsubscribe link in the newsletters or, for certain LAXTUF Sites, by logging into and changing the preferences for their account.

H. Interactive Features and Services: Some of the LAXTUF Sites offer interactive features and services, such as message boards, chat rooms, electronic mail services, comment boxes, messaging services, and member profile pages. For children under 13, we will obtain the consent of the child’s parent before allowing the child to use these interactive features and services. We use the information collected through interactive features and services to enable you to participate in such features and services.

I. Wireless Marketing Services: Consistent with local law, appropriately aged visitors may have the opportunity to register for special promotions, services, news, programming and information delivered via text messaging and/or wireless devices. To do so, visitors may be asked to provide their telephone number, wireless email address, carrier’s name, and/or their opinion regarding certain goods and/or services. Visitors must opt in to receive wireless marketing material from LAXTUF through one of the following methods: (a) filling out the registration information on any LAXTUF wireless marketing registration page; or (b) sending a specific word, code or symbol via a text message to a telephone number designated by us in any promotional material. The visitor may also be asked to confirm his or her acceptance to receive such wireless marketing services.

Visitors that register for wireless marketing services acknowledge, understand and agree that they will be charged by the visitor's wireless carrier for all messages sent to the visitor from LAXTUF. Standard messaging rates will apply, unless noted otherwise. Under no circumstances will LAXTUF be responsible for any wireless email or text messaging charges incurred by such visitor or by a person that has access to a visitor's wireless device, telephone number, or email address.

J. Geolocation Information: We may collect and store information about your precise geographic location if you enable your computer or mobile device to send us location information. You may be able to change the settings on your computer or mobile device to prevent it from providing us with such information. We use this information, for example, to enable visitors to take advantage of Site offerings; respond to visitor's requests for products, services, and information; manage games; customize the content visitors see when visiting the LAXTUF Sites; and to offer visitors special offers and promotions from LAXTUF and selected third parties offering products, programs or services that we believe may be of interest to our visitors.

K. Financial Information: We collect and use financial information, such as credit card numbers and security codes, for the limited purposes described below.

i. Consumer Products: Certain LAXTUF Sites provide pages and/or links to pages offering visitors who are of legal age to form a binding contract the opportunity to purchase consumer products (the "Shops"). To do so, visitors need to provide contact, shipping, billing and credit information. These pages may be hosted and operated by a third party that is independent and separate from the LAXTUF Sites. This third party collects personal information about shop visitors and may share this information with us. We use this information to process the order and to send order confirmations via email, as well as to send information about products and services of interest and as otherwise required by law. Before providing information on these pages, we encourage you to review the posted privacy policies which govern such third party's use of your information, as they may differ from ours.

ii. Virtual Items/Memberships: Some of the LAXTUF Sites may offer memberships, online subscriptions and/or virtual items. When you enter into a transaction for a membership, subscription, virtual item or similar transaction, you may be asked to provide the credit card and/or billing information and email address. We will use this information to fulfill your specified requests, as well as to inform you about additional products or service opportunities and as otherwise required by law. Please also see the information regarding payment processors in Section II(B) below.

L. Other Data Collection and Use.

We collect search query information when visitors search for information on the LAXTUF Sites. We also collect information from visitors when they contact us with questions and comments.

We may use this information, along with any of the other information described above, to (i) analyze use of the LAXTUF Sites and understand and improve our service offerings; (ii) prevent potentially prohibited or illegal activities; and (iii) for

any other purposes disclosed to you at the time we collect your information or pursuant to your consent.

We may combine information collected through the LAXTUF Sites with information we collect from other sources (e.g., social media integration services), offline records or publicly available information). It is your responsibility to provide complete and accurate information and to keep such information up to date. We are not responsible for any problem or liability arising from your failure to do so.

II. DISCLOSURE TO THIRD PARTIES.

We may share your information with third parties for the limited purposes described below. Parents of children under the age of 13 have the option of consenting to the collection and use of their child's personal information without consenting to the disclosure of that information to certain third parties.

A. Law Enforcement and Safety.

You acknowledge, consent, and agree to the extent legally permissible in this jurisdiction to allow us to access, preserve, and/or disclose the information we collect and/or content you provide to us (including information you may have posted on bulletin boards or internal site communication systems) to a law enforcement agency or other third parties if required to do so by law or with a good faith belief that such access, preservation, or disclosure is reasonably necessary to: (a) comply with legal process; (b) enforce the Terms of Use of the respective LAXTUF Sites; (c) respond to claims that the content violates the rights of third parties; (d) respond to your requests for customer service; or (e) protect the rights, property, or personal safety of the owners of the LAXTUF Sites, any user of the LAXTUF Sites, a third party or the general public. We also may disclose user information whenever we believe disclosure is necessary to limit our legal liability; to protect or defend our rights or property; or protect the safety, rights, or property of others.

If you have concerns about the conduct of a particular user, please send an e-mail to coachbilly@LAXTUF.com. This email is not to contact us about the status of your account.

B. Agents.

Information collected through the LAXTUF Sites may be transferred, disclosed or shared with third parties engaged by us to handle and deliver certain activities, such as message boards, sweepstakes and contests, e-cards, payment processing, newsletters, and advisory boards, and to perform other technical and processing functions, such as sending postal mail and email, maintaining data integrity, programming operations, user services or technology services. We

may provide these third parties information collected as needed to perform their functions, but they are prohibited from using it for other purposes and specifically agree to maintain the confidentiality of such information. Some of these agents, such as payment processors, may request additional information during the course of offering their services. Before you provide additional information to third party agents, we encourage visitors to review their privacy policies and information collection practices.

C. Third Parties/Advertisers.

Some LAXTUF Sites partner with outside third parties to provide you with additional content, products, or services that we believe may be of interest. For example, we may partner with a greeting card company, software manufacturer, social media plugin provider, or mobile phone provider to offer you electronic cards, games, social networking, or text messaging services. These partners operate websites and services that are separate and independent from the LAXTUF Sites and, accordingly, may have their own privacy policies. If you consent or register with one of our partners, that means you grant the LAXTUF Sites permission to give your registration and other information, including e-mail address, to that third party.

In addition, Third Party Advertising Service Providers may use their own Tracking Technologies to gather information about you. Please see Section I(D) above for more detailed information regarding such use of Tracking Technologies.

D. Co-Branded Sites and Features

Some LAXTUF Sites offer co-branded services and features, such as events and promotions that we put together with another company ("Co-Branded Partner"). Such services may be hosted on a Site and/or our Co-Branded Partner's website. We may share your information with our Co-Branded Partner and your voluntary use of or participation in a co-branded service or feature means that you opt-in and affirmatively consent to both the LAXTUF Sites and our Co-Branded Partner collecting and using the information you provided during registration and/or in connection with the specific co-branded feature for fulfillment, marketing or administrative purposes. If you wish to opt-out of a Co-Branded Partner's future use of your information for marketing purposes, you will need to contact the Co-Branded Partner directly. The Co-Branded Partner will be identified on the co-branded feature or service.

E. Business Transfer

In the event that assets relating to one or more of the LAXTUF Sites are transferred or sold to another entity as a result of, for example, a corporate sale, merger, consolidation, asset sale, or in the unlikely event of bankruptcy,

information collected at the LAXTUF Sites may be transferred to the acquiring company.

F. With Your Consent

We may otherwise disclose your information pursuant to your consent.

III. INTERNATIONAL TRANSFER.

The LAXTUF Sites are designed for and targeted to U.S. audiences and are governed by and operated in accordance with the laws of the U.S. We make no representation that the LAXTUF Sites are operated in accordance with the laws or regulations of, or governed by, other nations. By participating in activities on the LAXTUF Sites, you certify that you meet the age and other eligibility requirements for the LAXTUF Sites as set forth in the respective Terms of Use Agreement for each Site. If you do not meet the age and other eligibility requirements of the particular Site you are visiting, please discontinue using that Site immediately as your continued use of the LAXTUF Sites indicates that you are agreeing to the collection, use, disclosure, management and storage of your Information as described in this Privacy Policy.

Please be aware that by providing us with personal information, you understand and agree that: (1) due to our international operations, your personal information may be transferred to and stored on servers located outside your resident jurisdiction; (2) to the extent you are a resident of a country other than the United States, you consent to the transfer of such data to the United States for processing by our affiliates in accordance with this Privacy Policy and (3) the Privacy Policy and the collection of information pursuant to the Privacy Policy shall be governed by and construed in accordance with the laws of the United States, without giving effect to any principles of conflicts of law.

If you do not consent to the terms of this Privacy Policy, please do not use the LAXTUF Sites because your use of the LAXTUF Sites represents your consent. If you have already provided personal information, please contact us about how you would like us to handle such information.

IV. SECURITY, STORAGE AND RETENTION OF INFORMATION.

The LAXTUF Sites maintain reasonable technical and organizational steps to help ensure that information collected is secure, including limiting the number of people who have physical access to our database servers and use of electronic security systems and password protections which guard against unauthorized access. The LAXTUF Sites conduct financial transactions via secured transmissions. We limit access to visitor's information to employees and contractors who are authorized for the proper handling of such information, and any employee found violating our standards of security and confidentiality will be

subject to our disciplinary processes. We also take reasonable steps to help make sure our third-party agents protect the security of your personal information. However, as with most Internet sites or services, it is possible that third parties may unlawfully access such personal information through a number of means despite our efforts.

Information collected at the LAXTUF Sites will not be stored for longer than is necessary for the purposes described in this Privacy Policy, or to otherwise meet legal requirements.

V. ACCESSING AND CORRECTING INFORMATION; TERMINATION OF WIRELESS SERVICES.

A. Reviewing Your Information

You have the right to access, update and correct factual inaccuracies in personally identifiable information that we collect online at the LAXTUF Sites, subject to certain exceptions. To do so, you should log into your account or you may e-mail us at coachbilly@LAXTUF.com. To help protect your privacy and the security of your personally identifiable information, we will take reasonable steps to verify your identity before granting access.

B. Parental Access

Parents/guardians of children under the age of 13 can contact us to review any personally identifiable information collected about their child, have this information deleted, and/or request that there be no further collection or use of their child's personally identifiable information. We will take steps to verify the identity of anyone requesting personally identifiable information about a child and to ensure that the person is in fact the child's parent or legal guardian.

C. Termination of Wireless Services

You may cancel one or more wireless services via your wireless device at any time by using the unsubscribe mechanism provided by the LAXTUF Sites at the time the message is sent, or by sending a text message that says "STOP", "END", "CANCEL", "REMOVE", "UNSUBSCRIBE" or "QUIT". LAXTUF Sites will terminate your registration for the most recent wireless service you received. Any of these words followed by the word "ALL" in the user's termination request will cancel all of the user's registered wireless services with the LAXTUF Sites. If you unsubscribe from one or all of wireless service(s) via your wireless device, the service(s) will be terminated immediately and will cancel your previous opt-in.

VI. ONLINE SAFETY.

Some of the LAXTUF Sites offer you and your child an online safety guide which we encourage you to use as starting point for discussing safety and privacy concerns with your child. Of course, involvement in your family's online lives is the most important safety tool available.

VII. LINKS TO THIRD PARTIES.

LAXTUF sites may contain links to other sites, including those of sponsors, advertisers, social networking platforms, and survey companies. These other websites are governed by their own privacy policies or information collection practices, which may be substantially different from ours. We encourage visitors to other websites to review the privacy policies and information collection practices of those websites.

VIII. YOUR CALIFORNIA PRIVACY RIGHTS.

California Civil Code Section 1798.83 permits our visitors who are California residents to request certain information regarding our disclosure of personal information to third parties for their direct marketing purposes. To make such a request, please send an email to: coachbilly@LAXTUF.com

This document is the sole statement of the LAXTUF Sites' Privacy Policy and no summary, restatement or other version thereof, or other privacy statement or policy, in any form, including, without limitation, machine-generated, is valid. In interpreting this Agreement, the English version governs the interpretation and meaning of the obligation set forth herein. To the extent there is an ambiguity or conflict with the Privacy Policy in other languages, the Privacy Policy in English governs.

IX. CONTACT US

If you have any other questions about our information handling practices, including our practices with respect to children's personal information, please contact us at:

coachbilly@LAXTUF.com
